

## SOLUTIONS FOR TODAY – INNOVATION FOR TOMORROW

### WHY BLACK BOX?

As a leading digital solutions provider, Black Box's broad product portfolio is unmatched anywhere else in the industry. For 40 years, we've helped to build, streamline and secure IT infrastructure with a comprehensive suite of KVM, AV, cabling and networking solutions. These offerings – alongside 24/7, U.S.-based support from our qualified customer service and tech teams – enable us to help our customers overcome any challenge.
